Ron is one of the kindest men it has been my privilege to know. He had such wisdom which he often shared over the spreader as I dumped muck buckets. His smile was infectious and thinking of him I find myself smiling. Gail, you and the family are in my prayers.

Ron provided me with a start into a career in plastics that spanned many years. The skills in visualizing mold design he helped hone in me have been invaluable. He also was a great boss to work for. I remember when we would be slammed with design work, he still was generous and took us to breakfast on Saturdays we had to work. Gail and the rest of the family, may God comfort you in your time of loss. With deepest sympathy, Bill Main
