**Harry Schultze** posted:

She was the prettiest most popular girl at Lutheran High East. I was very tall and she always wanted to walk with me in the hallways because she said I made her feel safe. She was so full of life! She is iconic in my memories. I have thought about her often since my high school days. Can't believe she's gone. I will miss her.

Michelle was my friend from my neighborhood in shadow woods. Can you tell me how she died?
