You don't know me but I just wanted to express my deepest condolences during this very difficult time. No words could truly express the void experienced after such a loss but I hope you can find some hope in a scripture that has been comforting to me -Isaiah 25:8 which says "he will swallow up death forever"..This is a promise from Almighty God that he still intends to fulfill. Your family is in my thoughts and my prayers. For further information on how to cope with the lost of a loved one please go to JW.org website. Heartfelt Sympathy
