Sue, I was so sorry to hear about Gator. Even though I didn't know him well, I knew that he was a kind and caring man. The one memory that stands out occurred at Linda and Deans airshow party, it was our uncles 90th birthday. I told Gator about it, he helped me carry out the cake, and made sure everyone sang happy birthday to my uncle, also a vet. It brought a rare tear to my uncle's eye, and to mine. I will always remember him for that. You are in my thoughts and prayers.Madeline Stoetzer (Linda Quail's sister)

Please take solace and know that he is with the Lord Jesus in heaven and in a much better place. Joe probably had the Master Key anyways for the gates of heaven, so the Lord couldn't keep him out even if he had wanted, but I'm sure that the Lord was there waiting for him with open arms, to welcome him home. There are no words to describe the heartfelt loss of a great friend and the grieving of our loss but most of all the grieving of and for his wife Sue, children and all family members. Our hearts are with you during this most difficult time because there is no way to describe the heartbreak for Sue and family. Gator was not just a great guy, he was the Best Of The Best, downright down to earth with everyone, even at his age, I say true "old school" in so many ways. Gator has left so many of us with nothing but awesome memorable times. Just so you all know, Bobby and I will miss this very much and nobody will ever be able to mimic Gator's Bobbbaaaaaay, Mary Elleeeeeeeen, the way he did it but won't ask you to stop trying either only because I know he got a kick out of you guys trying. We all have our very special moments and times with Gator, always a great time, we will always treasure the time's we had and shared with him and Sue. I'm sending every ounce of positive energy to Sue, Jessica, Joe, and family for healing in this most difficult time. I had the pleasure of both working with, and hanging out with Joe for many years. Joes smile was contagious and genuine - nothing phoney or 'put on' about him. He never had a harsh word to say about anybody. People will remember many things that took place while with Joe, but the one thing we all will remember is that (-) dash between his date of birth and the day of his passing. You measure a mans's success's and failures during that period. With that being said; Joe was the most successful man I ever had the pleasure of shareing life with. You and your family will be in my prayers. You will be missed, my friend - but never forgotten. Lou
