I will forever miss my friend Pam. There are so many memories that she was part of. We became friends as kids, because our parents were high school friends. I have wonderful memories of trips with our families to Boyne for weekends in the Winter and to Harsen's Island in the summer. When we both decided to go to U of M, we became roommates. Pamela was with me when I met my husband Jaime and stood up in our wedding. Though the years when ever we would get together, it did not matter how much time had passed, we would pick up where we left off. My daughters thought she was such a fun friend as she was always ready for shopping and food. She had great style and kept it even when ill. Pam was genuinely concerned for everyone and always the most thoughtful. I was blessed to have her for my friend. Mine and Jaime's thoughts and prayers are with Randy and all the Bumler family Marie Vela

I knew Pam as an undergrad at Michigan when we both lived in the same dorm. Our paths haven't crossed much since but I always knew what was going on in her life, thanks to a mutual friend, and know how hard she fought through her illnesses. I'll be pulling out my photo albums this weekend to look back fondly at the fun our gang had during those college days. My sympathy to the Bumler end Baker families. Molly Motherwell

I too also knew Pam since elementary school and although I have not seen or spoke to Pam since we graduated highschool together, I was extremely saddened to hear of her loss. Pam was always a very kind and gracious person to me and many others when we were in school. I know now how wonderful it was to have known her. I am grateful to God that she was surrounded by those who loved her and to know now that she is at peace. To her family and those that she loved, I am truly sorry for your loss and it is my prayer that time will help ease your pain. I regret that I did not get a chance to know her as the wonderful woman I have no doubt she became but I will always remember her fondly. May God rest your soul old friend, I know that you will live on in the hearts of many who loved you and who cared for you deeply. I too will miss you!! I went to U of M with Pam, we lived in the same house in West Quad. And although I didn't see her much after graduation, I always knew what she was up to through her college roomie, Marie. I last saw Pam in St. Joe at a mutual friend's home- she was newly married, crazy in love with Randy and the girls, as happy as ever and rockin' an awesome lipstick shade. I know she will be missed by those who love her and care about her. I hardly saw her, but know the light in the world is a little less bright. Hang on tight to your memories of her- they have become your greatest treasure. Peace and prayers to Pam's husband, girls, and family. Cyndi Ryan Weller

I will miss my good friend Pamela. We had a beautiful time touring of France with my daughter, Stephanie, on her HS French trip. You made every part of it so memorable from the food, wine, getting lost in Paris, the beaches of Nice and Caan and always causing problems by being late because of our shopping. You also helped me get around with your knowledge of the French Language. Remembering Our many Vacations to Chicago, Grand Rapids, and Florida so many great memories. You taught me how to dress, thank you! You showed me how to appreciate the fine things in life. You were a pleasure to know and love. My husband, Kirt, loved you, and loved that you made my life full of fun times. He always saw how happy I would be when I would say, Pamela and I made plans. You are a treasure that I found at a neighborhood Eucher Club. I thank God that I got to enjoy your friendship for 17 years!!
