What I remember most about Wilma was her devotion and love for her Family and that she loved to laugh. We were neighbors in Roseville and she watched me everyday after school. She always had a smile and a hug for me when I walked in the door.

I can't tell you how sorry I am of your mother's passing. She was such a sweet and kind lady and I will always remember her for that beautiful smile that she always displayed. I have faith that your mom is on a wondrous journey to reap her just rewards. I think that mothers are one of God's greatest blessings, and your mom was no exception. Her angelic smile and sweet voice made her a joy to be around. I will miss her dearly.

Aunt Wilma was always so kind. I have many favorite memories. One of my favorite was one evening when watching TV together, in her home, we found a FogHat concert on one channel and Barbra Mandrell was on another. She loved Barbra Mandrell. And to find a rock concert on TV at that time was rare. She graciously offered to switch between the channels so we both could enjoy a little of each. It was awesome. She even sat through the FogHat times. Aunt Wilma I will always remember your never ending smiles and contagious laughter. Hug aunt Jerry, aunt Betty, and Grandma & Grandpa for us all. Love, Eddie.
