I was just speaking with a colleague and he informed me of this news about Jerry. We met in the late 1980's as coworkers at HPG and I have fond memories of growing that business with Jerry's excellent sales tact... and will always remember the annual beach parties he held in the middle of a Michigan winter! Although our paths separated years ago, I recall how excited I knew he must have been to have a family of his own as he always treated my children with such care. I'm glad I was able to hunt him down last year even if it was just to swap a few emails, and know fully well he was relying on God to set his path. Rest in peace, my long ago friend. Mike Petit

As a professional, Jerry had integrity and a commitment to customer service that was unparalleled. As a golfer, Jerry made every aspect of the game fun - including "jerry-rigging" the cart to make it go faster. Easy to see how he used to be a great Santa - that jolly twinkle never left his eyes. My deepest sympathy to his wife and children, the ultimate joy in his life. I first met Jerry when he called on me at TRW; I was delighted to reconnect with him just recently at Prism Plastics. He has left an incredible legacy.
