I am sorry for your loss please accept my deepest sympathy. I hope you will find your strength and comfort in Jesus promises of the earthly resurrection(:Acts 24:15) and the renewed Paradise earth, where death will be no more and no family will have to mourn the death of a loved one.- Revelation 21:3,4; Luke 23:43. Robin, we had so many fun times together, from skipping school in my little green rambler, to shopping for antiques at the local shops, and so much in between. Our kids grew up together as nieces and nephews did, some closer than others. Since Moms passing we became closer and formed a bond, although we recently said we would grow old together, have coffee often and take life a little easier. I had no idea I would be saying my last good-bye, the day you went up north to be with David and his crew. I lost my friend, my sister, my confidant. You weren't afraid to try something different and new, and I just became accustom to your doing things first. Again you did something first, and I will follow you when God tells me to, I am heart broken but know that you will have all the rooms,halls and boundaries checked out and ready to explore, til we meet,your sister;Toady (claudia contrino)
