To the man I love now and forever. I miss you so much. I don't have words enough to tell you how I feel. I know you're at peace with God now, and that the special plan he has for you began when we lost you. The pain for you is gone now, and ours has just begun. I will take good care of our children, they will not want for anything. I love you so much Ralph. I'll be at your side again, when my time comes.
