Sincere condolences to Jeff's family and friends. My name is Mary Jane Quaine McCulley. Pretty much grew up with Jeff in the early years. His mom Ruth dropped him off every weekday morning on her way to work, my mom babysat Jeff for many years. I have lived in Arizona for 35 plus years, so for me its been a long time. I do remember my brothers saying they had been in contact but not sure how long ago. Fond memories of Jeff and Ruth will live with me forever.

Jeff....my cousin who I have good memories of growing up. As children, we shared a lot of laughs, games & good times. Jeff was an only child back then, so he loved to be at our house with all the confusion of six cousins. Through the adult years we would see each other occasionally at weddings & funerals, but could easily pick up where we left off. He had a fun "Uncle Matt" sense of humor and carried on the good looks of his Britz uncles. So happy when he found Kelly & got married. Have had the pleasure of meeting Shane & Ramsey...such nice kids. I know our paths didn't cross often, but he is a part of my past I can never forget. I will miss him and miss knowing he's in this world. Rest well my Jeffy.

Jeff, having you as a brother in law for so very long was an honor. Our family was blessed from the first pizza date forward. You will be sadly missed. I love you and appreciated you being the love of Kelly's life. You were an awesome dad, fantastic son in law, and one of the most honest people I have ever met. I will miss your gobbles on Thanksgiving and you singing happy birthday to me. It sucks that you are gone.
