Dear Marilyn and Jim;It has been a few years since Michael was in my classroom at Woodland, but I remember him very well. He was always a very nice young man. God will watch over him I'm sure. Deb and I are taking our daughter back to Chicago after the holidays so we will not be able to be at the proceedings. Our deepest sympathy go out to both of you. Love. Ken and Deb Adams
Ps. Give Michael a little piece of string from me. :-))

Dear Frantz family, I am writing this as though my Mother, Donna Grashaw were here to send her loving condolences to you, and to honor the memory of Michael. I can tell you that she was very fond of Michael, when she was privileged to be a part of his education while at Woodland. I also have fond memories of growing pumpkins in our yard, and Michael and his classmates would come and pick their very own pumpkin. It was many years ago, but still a strong memory for Me. I just know that my Mom was there with others to welcome Michael into Heaven . May your memories sustain you, and know that Michael brought much joy to those who had the privilege of knowing him. Sincerely, Sandi Markel
