David was a classmate and fellow football player at Holy Cross. Thanks to Dave and his folks he drove us daily to our practice field on plank road. I have wonderful memories of being in school together, and thru the years as we went our own ways we could always have a laugh when we could get together from being kids to being older and retired. He is another class mate gone too soon.....

Dear Sheila and family, Dave and I along with all our family wish to tell you how very sorry we are to hear of David's death. What a fighter he was. Anytime we saw him he was smiling and had something upbeat to say. He was a person of strength and such deep faith. It is said, it's how someone makes you feel that you always remember when someone passes away. This is so true of Dave. He was such a good good person. He was so devoted to his wonderful family and was so proud of you all. It was an honor to have known him and we are all better people to have had him as a friend. Our love to you Sheila and your family. Our sincere condolences, Jill and Dave Scheel and family
