I hired in with Paul in 1978. He was a great mechanic and a good friend. I loved his life stories that he shared with us in the mechanic break room. I loved his independent attitude. He was the definition of a mans man!Terry Lake - Retired

My condolences to the Germonprez family. I have known Paul since he worked at Shepherds Lincoln Mercury and at MPG. He was always kind and a very good Mechanic. I loved to hear his stories of the old days, and of the current ones. He will be truly missed by his family and anyone that really knew him. May he rest in peace.Deacon (Jake) Jakubowski

I was Paul's boss for over 10 years at FoMoCo. Paul was a remarkable person, and if you look up the word tuff in the dictionary you should by rights see a pic of Paul. He was very dedicated employee and showed up for work no matter what the conditions or how he felt personally. Paul never cheated Ford out of a days pay, he was a good employee and a good friend as well. He will be missed by many. Joe Gwisdalla FoMoCo - Retired
