Mary Jo, Larry, Courtney and Danielle, It is with great sadness to hear of Jacobs passing. Sonia and I extend our deepest sympathy to the entire Harms family. It was certainly my honor and privilege to coach Jacob. I will always and fondly recall Jacob standing tall on the pitching mound while smiling back at our dugout. He was a humble young man, a fantastic Indian, teammate and friend. May God give each of you the comfort and peace that you seek in the coming days ahead.You are in our thoughts and prayers.Brad and Sonia Davis

Many hugs, and prayers go out to everyone hurting over the loss of Jake! He was such a great guy, and I am happy that I was able to spend so many of my childhood years around Jake! There are no words that can possibly help heal the pain that his family is feeling right now, I just pray that over time you may heal and find the joy he brought you all! God bless you all and may his spirit stay with all of you forever Amy

My Prayers are with Jake's Family. Jake and I grew up together and graduated from Sterling High School together in '97. My Mom lived next door to his grandparents, Bob and Rosemary. We spent a lot of time in the backyard as kids and became friends throughout school. I will always have fond memories of Jake from the classroom to the athletics field. He was a great guy and great friend. I can't help but smile when I think of him. I hope through time that everybody that is grieving his loss will be able to smile when they think of Jake. Goodbye old friend until we meet again.

My thoughts and prayers are with you all at this very difficult time. Jake and I worked thousands of hours together since 1999 when we met. Besides being an excellent plumber Jake was a excellent person and friend. I loved him like a "little" brother and am glad I had the pleasure to spend all the time I did with him over the years. I will always have a hole in my heart and will never forget him. Such a great guy I miss you Big Jake!! Love, Rob, Jeanne, Cayla and Jake Goluszka
