God Bless Virginia on her way to heaven. You and Frank took such good care of your Sister Sophie, when she was young. She loved you so much, , And now, you will be with your Mother, I have always enjoyed your silly little answers and comments that you would always have when I saw you. Life was a happy occasion for you; you were the only one who understood why I cut Sophie's beautiful long blonde hair. And, you always made me smile. We will miss you Virgie but we will never forget you. You have been someone that was always full of love. And, we loved you very much. May God give you peace, Our condolences to your children and Grandchildren they too will always remember you. Love Always, Rochelle and Jerry. xxxxx

I feel incredibly blessed to have been apart of Grandma's life. A women that always put family and friends first in her life. A women that made you feel so special every time you visit her, no matter what was ailing her. A women that so proud of her children and grandchildren, and should be. What a gift she left all of us in all of you. Thank you Virginia for all of your wonderful gifts you gave us. Just a short story on how wonderful god is when you a watching. Adrianna called that grandma went to heaven, about a hour later on November 2 .I was sitting on my deck on that gorgeous day looking at what flower I had left in my garden and a beautiful monarch butterfly flew right by me and landed on the one flower I had left. I know it was grandma saying goodbye to me.

It has been a great honor and my pleasure caring for Virginia over the last 4 years. She was not "my job" Virginia became my FRIEND, I loved her like family and I looked forward to the days I got to spend with her. Virginia was one of the most genuine, honest, caring and loving people I have met. Each day with her was a gift!

I just had to mention how much I loved Auntie Virgie and how her and Uncle Frank were so happy when my daughter Jenna and I would make sure we went to visit them every time I came into town. I was treated like gold. I have pictures of Auntie Virgie and I from those visits that I will forever cherish. Thank You Auntie Virgie for treating me just like your own son. I love you and God Bless and R.I.P.
