Golder Family, We are so saddened to hear about Don. We will always remember his love of cars, his passion for cooking and most of all, our friendship. This photo is one of our favorites; dancing as a Groomsman in our wedding. We will be keeping you all in our thoughts and prayers. Rest in Peace, Don. Curtis and Kelly DiNardo

To the Golder Family, I am so deeply saddened to learn of Don's passing. I pray that my friend has found peace in the arms of Jesus and that we'll meet again one day. I am so sad that we fell out of touch. In this age of email and facebook, I thought a thousand times, "I've got to look him up and get in touch one of these days." Shame on me for procrastinating and putting off. Don was my favorite Euchre partner EVER! We could just read each other. No table talk. Just natural. We fished. We scraped dropped change from under the vending machines at River District. We listened to rock from big speakers. We played frisbee. We raced and soundly trounced Mr. Ceder, one of our teachers one early morning on River Road. (That was surreal, I can tell you.) We did doughnuts in the snow. We dreamed. And we laughed. Man, did we laugh. I hope to laugh again with you one day in a far better place my friend. May God comfort all of us left here to miss you until then. With heavy heart- John

Don, I hope you have some pull with the Tigers now cause they sure need your help! And I know you also like the Dodgers, but you don't have to help them. I'm going to miss cheering on the Tigers with you when they're winning, and second guessing them when they aren't. You really were the best chef, and you always made it look so easy. I wish I would have recorded your laugh so I could listen to it every day. We all would love to hear it right now! RIP, buddy. Love always, Laurie
