I know you are in a much better place, but I will miss you very much. I will always cherish the memories of all the fun adventures we had. You will always be in my heart and never forgotten. I know I will see you again someday, but until then may you rest in peace. All my love grandma. Love you, Lainey Margaret.

Mary was one of the most generous, loving, unselfish people I have ever known. When I wanted to re-connect with horses she welcomed me with open arms and an open heart into her life. She taught me so much... not just about horses, but about life. She became my good friend and I will miss her dearly. She was a "one in a million" special person. I hope that we will ride together again one day.

Mary may not realize how well loved she is and how many lives she has touched. This sad news has gone across the country and back. To the family you have my deepest sympathy and prayers.
