**J**o Ann "Jo" Boyer, age 72 of St Clair, passed away on April 29, 2016

She was a life-long resident of Harper Woods, MI until her retirement after 25 years as an emergency dispatcher for the Harper Woods Police Department.

Jo had many varied interests and friends she made from those same interests.

Jo enjoyed camping for many years with friends and family as part of the Mt Clemens Stinkers part of the NCHA.

In recent years she was part of the Harper Woods High School Alumni Association, The Harper Woods Retiree Association and the East China Beautification Committee. She was an avid learner and loved to take classes at the local libraries just for the fun of it.

I am taking a moment to share my deepest sympathy for the loss of this amazing woman with her family to include her children, grandchildren, relatives, etc. and mostly my dear friend, Dee, who has been thru so much lately during this awful time. Mrs. B has been in my life for as long as I can remember...thru school (Girl Scout leader), workish friends (working with my mom), family friends (camping club), but the closest to my heart being our "movie night." A monthly gathering of a few special women where we literally shared every single life up and down for the past 20 years. Wow...if those walls could talk. I will miss her and I can hear her now as we gossip and laugh the next time we gather. I loved her like a mom for sure and am happy for the great life she had and can only hope the end did not cause her too much pain. Thank you for letting me be a part of her world for so long!
