Sue, Patrick and Mathew. I am so sorry for your loss. I've known Danny since I was 9 and he was 7 years old and to think he is gone saddens me greatly. It was a year ago when I met you all in Virginia Beach and it was such a pleasure. Over the past year Danny and I had made plans to meet up and we chatted and reminisced. He was such a good man and again, I am truly sorry for your loss. Love, thoughts and prayers for you all and Timmy and Mike.

I would like to give my condolences to Suzanne, Matthew and Patrick , to Tim, and Mike. I've known Danny since I can remember. In 1963 my family moved on Wilshire st in Detroit when I was 2 . Danny lived down the street from me. All of us "Wilshire" kids grew up together we played baseball, kick the can, red rover, tag, etc in the streets. I would like to share one of many memories I have of Danny as a child. I learned how to whistle because of he and his family . Their dad would call them home by whistling certain tones. . Each boy responded back with their own unique whistle. I asked them to show me how they were able to whistle with 2 fingers . Still to this day every time I whistle with my fingers I recall how I learned it. .As time went by the neighborhood changed ,people moved away. Even though we all moved to different areas I've always felt a connection like family to the "Wilshire Gang". Danny you were an influence to "our gang" so many memories, so many stories funny and sad. RIP brother. . My heart is so saddened. Donna (Kris) Mobley

My deepest condolences to the MacMillan family and friends. It has been to many years since I have seen Dan or "Withit" as we called him in our youth. I will always remember all the good times that I had with Dan and his family who as said in other posts where very generous and inclusive with all who knew the family. I'll never forget that burnt orange Nova that we use to beat on. My thoughts and prayers will be with him and all of you. Mike Langan

I always looked forward to Sundays at Dmac's. In the summer, it was horse shoes, in the winter, it was Lions football and playing pool. And Dan did all the cooking for everyone. We all sure ate good over there. Such great times, and so many laughs. Our Sundays now will have a large void, and that will be a tough pill to swallow. Dan loved life, his beautiful wife and two wonderful kids. The whole family had a wonderful impact on me. He will be so missed by so many. Love you my dear friend, and rest in peace. You certainly earned it.

Danny Mac had a laugh like no other. His humor was contagious. We were neighbors on Long Island Ct. in Fair Haven as teens and he loved life even then. He loved having friends over to his beloved garage and we would end up playing silly games and just laughing like kids. He was our brother. Danny was so devoted to Sue and his sons Matt and Patrick. My heart goes out to them and his family. May he rest in peace.
