I would like to send my deepest condolences to Nan's family. I knew Nan through my brother Carl and they were friends for 43 years. Nan was an angel, when my mother died in 2013 Nan was the first person there with flowers, food, and a shoulder to cry on. She always had so much empathy for her family and friends and we sure did lose a treasure when she left us, but she lived the way Jesus taught us to live and that was to love one another and Nan loved us all immensely. Rest in peace dear friend we love you.

In 1963 my family moved one door North of your family and from then on we shared the growing pains of childhood. I saw you grow up, become a wife and mother, an independent WOMAN, a hard working girl, and a very caring, loving person, with many, many friends. You blessed many people with your wit and love and that will, sorely, be missed. The journey over, your time put in, now rest in the arms of the ONE. Peace.
