I will always remember Rob as a happy guy with a great sense of humor. He knew everyone and was liked by all. He is a one of a kind guy from a great family. He will be missed by so many. Cancer is an awful monster that took his life much too soon. I hope that all of the happy memories help get all of his family through the difficult days. My heart goes out to everyone that loved him. Dear Bob and Kay The news of Robbie's loss is heartbreaking. Please know that I am thinking of you. I will never forget the zeal and vigor Robbie had as a kid playing hockey and being a star and the two of you always being there to cheer him on and help him grow into the fine adult he became. In this time of sorrow, mixed with gratitude for the wonderful son you had and the grandchildren he gave you, please know my most loving thoughts are with you. Love Janet Todaro (Stubbs)

To the entire Stubbs family...Words can not tell you how sad we are with the news of Rob's passing. Rob was one of a kind in so many ways. We have so many wonderful memories of good times spent with Rob both at work and at play. He was always there for me when I needed something at work. We did have some great times listening to stories from Rob, about this and that. Will think of my friend each time that we have one of his famous recipes that he shared with us. . He loved his outdoor activities and hanging with the guys. His family was most important to him and that little Owen was the sparkle of his eyes, such a proud grandpa!!!! We will miss you Rob and that great smile, but we do know that you are at peace now and not suffering anymore. Caring thoughts and prayers going out to each one of the family members at this very sad and difficult time. Hugs,Nancy and George LaParl
