I would like to express my most sincere condolences to the family of Dolores Fraley. I remember seeing your grandma at St. Mary's, when the cousins were young. She was always cheerful and full of energy. Long after you had grown up, I would run into her at St. Mary's Parish. She never seemed to age. She was always so full of zest for life. The last time I spoke with her, she reminded me that she likes to dance. When I think of your mother/grandmother now, all I can do is see her dancing in heaven with God. May God bless all of you as you transition to this new life without your mother and grandmother. Sincerely, Marilynn Pavlov
