"A picture is worth a thousand words, but your smile is worth a million." Author unknown In light of facts, Frank's sister, Rosemary Lutz, (RIP 02/15), had a fetish, for "Smiley" faces, he has always had a special place, in my heart. Uncle Frank was born the same day, as Thomas Edison, Feb 11. When our daughter was born, in 1981, she, too, shared their date of birth. It was natural, for me, to think of Uncle Frank, when Tracie smiled. Then, her younger brother, Rich, was born three years, later, on March 20. This is considered the first day, of spring. Like mother, like daughter, I, also spread smiley faces, around town. I would tell people how lucky I was because my daughter was "bright" & my son had "new life" in him, everyday. Thank you, Uncle Frank, for sharing your signature smile & brightening up our lives! Peace be, with you. ❤️ All our love, Debbie, Rick, & Rich Guilmet and Tracie + Chris Hickner
