I am just one of the guys who worked out at B.A.C. and spoke often to Aaron. He was a friendly young man and spoke often of his activities and future plans. He seemed grounded and very aware of his abilities and interests, speaking enthusiastically of what he was going to do next. It will be hard to be in the club and not see or speak with him. It is just such a shock to think of one so young to be taken like this. My heart goes out to his family and other relatives and close friends.##imported-begin##Pete Lash##imported-end##

Donna, Larry and family; My prayers and thoughts are with you and your family. I am so sorry for your loss. I have fond memories of the times I was able to spend with Aaron; the last time, just a few weeks ago at his graduation open house. He showed an interest in his family heritage and was always asking "have you found the Indian yet". He was a loving, kind, young man with a strong passion for sports. I will miss him. He is with God now. Love, Aunt Jan##imported-begin##Jan Johnson##imported-end##

Aaron, you were taken too soon from us, I will miss you dearly. My best memory is when last June you came down to Wendy's to send me off on the shuttle, not too many grandchildren would take time out of their busy schedules for such. Donna, Larry, Alisha, and Anthony my heart goes out to all of you. I wish I could take the pain away. Aaron impacted our lives in so many good ways, we have good memories of the special holidays, events, and sports competitions. Love to all - Mom/Grandma respectively##imported-begin##Pearlene Ryan (Grandma)##imported-end##
