To the family and close friends of Harley, you have my sympathy. To lose a loved one in death is such a painful experience and made even my painful when the person is young. At a time such as this I like to share encouraging Bible accounts about what Jesus did and said and hope this will give the family some comfort. Please get your Bibles and read Luke 7:12-15 and then John 5:28,29.##imported-begin##C Phillips##imported-end##

Our thoughts and prayers go out to all of Harley's loved ones. It has been some years since I saw Harley last, but it does not lessen the saddness of losing another good person. May God carry you off to heaven and embrace you for all of eternity...and walk beside your loved ones carrying them while they are weak. Watch over us all Harley, as you are our Angel in the sky, a twinkle in our eyes, and a memory never to be forgotten.
