So sorry to read about Herbert's death. His life was cut short, thankfully we can look to Jesus promise being fulfilled that "all those in the memorial tombs will hear his [Jesus'] voice and come out..." (John 5:28,29). This will be the same miracle Jesus performed with God's power when he resurrected his friend Lazarus from the dead but on a much larger scale (John 11:35,38-44).##imported-begin##C Phillips##imported-end##
