I am the owner of Blue Water Taffy Co., Bernie was a very good customer of mine last year - my first year in business. He had trouble walking so I would deliver his taffy to him curbside at the car from wherever I was selling. He was very kind to me. I lost my own father in June of 2009 at the age of 71 as well, my sincere condolences to the entire family.##imported-begin##Leslie Bailey-Leonard##imported-end##

We were so saddened to hear of Bernie's passing. Although it has been many, many years since we had seen him, we have many fond memories of fun times together when we lived in Richmond. His family has our sympathy.##imported-begin##Ken and Leah Baranowski##imported-end##
