Grandpa Kindret was a great man...He was always happy, and smiling. Just last summer I spent the day with him "cutting a rug" at an Oktoberfest party..I'll miss his stories and his cheerful personality...I'll always love and remember he would wiggle his ears...it was so funny, he always tried to show me when I was a kid, I never did figure it out...We are blessed and happy that he lived a long, mostly healthy life....He will always be loved and remembered by all as a great man, with a great personality....and how he loved his little Jennifer...it was precious. Stay strong and keep memories in your heart:.)##imported-begin##James and Toni Greig and family##imported-end##
