Kailey, Today's your birthday, and I'm very saddened by your loss. It doesn't feel real that you're gone. I wish you weren't, I honestly do. You've been my friend since the 5th grade, thank you. Thank you for everything you've done for me, thank you for giving me that laughs and smiles. I'll miss your smile, and laugh. I'll miss how you use to pronounce my name, and gave me like three nicknames. You'll always be my Kailey Klangell. I'll miss you very much, Kailey. I promise I will. It's such a shock that you're gone. My thoughts are with you, and towards your family. I can only imagine what they're going through. This is a very hard time for everyone. You were an amazing girl, and a very beautiful girl inside and out. Happy Birthday, Klangell. (: You're a shooting star now, and you're making the sky light up with that smile of yours.###imported-begin###Richard###imported-end##
