My dear Uncle Luke, You were my favorite - I know you would have done anything for me. You were always so much fun to be around and always opened your house to all of us. You could get a party going! You have so many friends that are going to miss your wit and humor. I know you are with Aunt Phyllis, your brother and sisters and my dad! I'll miss you - til we meet again! Your loving niece, Roberta##imported-begin##Roberta Ancona##imported-end##
