Heidi to say we will miss you is an understatement. Although we are better people to have had you in our lives, our heart hurts at the thought of not having you. You made this world a little brighter with your smile. You provided a light, energy and a great deal of kindness to a very weary world. You gave wonderful memories to all who knew you and we will hold those in our hearts for the rest of our lives. Thank you for being our friend and we will miss you always. Our thoughts and prayers are with Heidi's family and friends. Christina Hagel and Family##imported-begin##Hagel Family##imported-end##

Heidi was a very special person. She had a heart of gold. She was always doing things for others and never thinking of herself; if you were in need, she was there. Heidi was also a great mother not only to her own children but to all of their friends. She will be dearly missed by everyone who had the pleasure of knowing her. Our thoughts and prayers are with her family. God Bless.##imported-begin##Kutsche Family##imported-end##
