Ted was the best son in law a mother in law could have. Always fun and upbeat. I loved him as much as my own sons. Lovingly, Mary Ann##imported-begin##Mary Ann Ameal##imported-end##

I want to send my deepest condolences out to Ted's parents Mr.& Mrs. Arnold Chickonoski, his wife Jennifer and his son Little Ted. I worked w/Ted in Gas Control at DTE Energy. I have truly enjoyed working with Ted. He was always willing to help me out with anything especially our work schedule. I've never met a nicer, kinder person than Ted. I will truly miss his jokes, his many pranks & our many talks on how he would continue to spoil Little Ted rotten, just like he was by his parents. I will keep you all in my prayers, take care for now. Love Terri##imported-begin##TeAnna Williams##imported-end##

I worked with Ted at SEMCO Energy for quite a few years. He was a kind, funny prankster that no matter how hard we tried to get him back, we never did as good of a job as he did to us. Those were the days. Then he left us to go work at DTE, but still called us once in awhile to see how things were going and we shared pictures of our families. Ted was a GREAT guy and will truly be missed.##imported-begin##Jennifer James##imported-end##
