I was a caregiver for Tony and enjoyed seeing him every day. We shared a lot of laughs and his love of music. He always kept a sense of humor and a positive attitude. What a beautiful family. I would like to extend my sympathy to Barbara, and the entire Palermino family. Kathy S.

There are so many wonderful memories of life growing up around Mr. Palermino. They were some of the best times of my life. He truly was a mentor and a teacher to all of us that were around him. Many nights sleeping over on Blue River Dr. and listening to him till early hours in the morning teach us valuable lessons, but also making us laugh until we cried. He knew how to steer us away from trouble and God knows we needed that a lot....especially the bat brew crew. The world lost a great one this week, and his memories will always make us smile, remember, reflect, and say "Mr. P...rest in peace" God bless the Palermino family. Love David and Jennifer Slis

It was truly a Blessing to take care of Tony during his journey to God. He was a proud man with an amazing sense of humor with so much love and appreciation for for his entire family. It was incredible to see a family so close and respectful of their father. They spent countless hours being at his side making sure his journey was as comfortable and loving as possible. The love they share for each other is truly unconditional and extremely special. The memories with Tony are embedded in my heart and live on forever! May the Peace of the day be Upon You now and forever. Gina

I have many fond memories of he and Aunt Glory. I had overnight stays with a house full of boys and we had lots of fun! Aunt Glory had me sleep in Shas's bed! And I used to help her clean the house and make a martini for Uncle Tony. I felt so grown up!
