I am so sorry to hear Jack passed. Jack, Gloria, Mark & Lori were some of my favorite people growing up. Jack was my youth leader and we did the Sky Pilots program. Jack and his family have left me with many fond memories of a Godly leader and friend. Got the news late, would have been there for the service. This is truly a celebration knowing we will meet again in Glory. LOVE you Everett family. Frank Hansel

We were very saddened to read this morning of Mr. Everitts passing. He was a kind and generous man. I worked for the Everitts last summer doing some repair work on their house. It was one of my favorite jobs ever. It was a real pleasure getting to know both of them. He will be missed. Mike and Colleen Dowd

So sorry for your loss. I have to say... a special memory for me was after church a few years ago...went to MacRays in Algonac for lunch with my husband. Jack and family also went there after church and came up and said hello, introduced themselves to Kevin and then proceeded to ask Kevin why he wasn't in church with me and that it would be a great place for him to be on Sunday. (my husband does not attend church) No lecture...just a kind word. That was Jack. I always sat behind him and Gloria in church and love their godly example. My thoughts and prayers are with your family during this time. I have to work Monday- Hugs to you-Gloria. --Janice Bainbridge

When I was really little I remember going to the park and flying foam airplanes around with Papa. He always told me I was a good pilot! When they were visiting and before he took me to school would give me 25 cents so I could get my favorite snack at lunch time. :) He always told me he was praying for me everyday! The prayer of a righteous man is powerful and effective! Thank you Lord for giving me papa for my grandpa! I am so grateful!
