Becky and Robert your Mom absolutely loved you with all of her heart. There was something magical about her smile when she talked about her children. Over the last 20+ years I saw that smile often. Your mom spent her life caring for so many and I think that is something special. So sorry for your loss.

I worked with Kathy in the ICU at RDH. She was a caring and attentive nurse. Her patients received excellent care. We also had a few laughs along the way, good conversations and support during rough days. My prayers go out to her children and family. God bless her soul and give her family peace.
