I just logged into an old Monster Hunter file on the Nintendo 3Ds and one of my last hunts was with you. I can't believe it's been so long now. I still think about you all the time. I'm 34 now. I grow older & you just stay the same age.

Miss you so much man. I still look for shreds of your existence and hoping you are nearby. I wish we could do this differently. Love you Josh. We all miss you just as much as we did finding the news.

My son Matt just told me this very sad news. Josh was over my house a lot to hang out with my son and Adam Kiddle playing hockey in front of my house or bonfires in the backyard. I remember my son teaching Josh to play the guitar. I'm heartbroken. Please know that Josh and your family are in my prayers. With love, Marlene, Matt & Chris Harris
