I had the honor of meeting Ted about a year ago. I believe mine and my family's lives are better off for knowing him. I enjoyed our talks and our laughs. I will always picture him with a toothpick in his mouth laughing. I will miss him dearly! A true gentleman!

So very sorry to see this, Kyle! Your Dad was always such a kind and friendly man. Always got caught up in conversation with him whenever I'd run into him around town. Give my condolences to your Mom, again, so sorry for your lost.
