I am so shocked and saddened to hear the news of Jimmy's sudden passing. My love, thoughts and prayers are with Erick and the entire Smith family. I always enjoyed our conversations and good times on the beach as neighbors! May the great memories you have of Jimmy keep him alive in your hearts forever and help you all through this most difficult time.

I lit a yellow candle in Memory of Jim Smith. Such very fond memories. I think yellow means calm and Jim always promoted that. So wonderful that you crossed paths with my self & 2 sons Dan and Brian Langley . You really enhanced our lives. I loved our talks about nutrition, Kombucha tea, antioxidants, weight loss and natural healing. You were so very knowledgeable of these subjects. You were so very loved by my family and are so very missed by all of the Langley family. I know that the angels carried you to Heaven and when we meet again we won't even need Kombucha tea because in Heaven we are taken care of with the hands of the Lord. You meant the world to us Jim. As Always, Marilyn, Dan, & Brian Langley.
