Far too many years have passed since I actually visited with Aunt Rita (I think she only had 2 grandchildren last time I saw her). She was then as I remembered her from childhood visits, lovable, huggable and a good cook. My thoughts are with my cousins, Rob, Sue, Becky and Nancy and their families. What a great legacy to have lived long enough to spend time with all those grandchildren, great-grandchildren, and the great-great grandchild and to have had a hand in shaping their lives. I rejoice in the fact that although she is gone and will be missed she is once again with her beloved husband. I will remember her fondly. Karen Aquino - Sugarland, TX

My grandma was such a dependable woman to so many people. I admired her ability to share/pass down love and wisdom. I have such a great collection of memories that helped shape me to be the father and man I am today. I'm so thankful for the quality time my daughter Raya was able to spend with her. One thing that will continue to make me smile, is the reaction you get when you could sneak in a tickle on her neck. So fun!!Gram, I'm so grateful that you had a long and amazing life! Love,Tim, Sonya and Great Granddaughter Raya
