To the family of Terrance Riley. I am sorry for your loss. I did not know Terry, but I know his daughter, Kelly. She is an extraordinary teacher who radiates a joy to the staff and students around her and that is something a parent loves to see as part of their legacy. I will be praying for you.

Terry was a professional in his paralegal business...i know, I worked as a process server for him in the mid-80s. My first service was way out in the country and when I went back to get into my car a big dog bit my butt. No cell phones then. I drove hastily away back to Terry, who assured me that this was not a usual occurrence. We had fun working together. After that!

Terry was a good man, a loving father and grandfather, and a sweet brother with a lot of wonderful qualities. He loved to talk and reminisce, would often tell stories from the past, especially about mom's relatives. Terry was always drawn to the babies and small children in the family, he had a special love for the little ones. That same love was very apparent the way he loved animals. His dog and cat meant the world to him and treated them with such kindness and love. Terry was a simple man but he stood strong in his faith, his love for his parents and family, and I am sure without a doubt that he is wrapped in the arms of Jesus. You will be missed, dear brother, until we meet again..... Love you!
