What can I say that someone else hasn't said already. Diann was truly a wonderful lady. We worked together at Utica High and shared a lot of laughs together. I was so saddened to hear that once again she was battling cancer. Heaven just received another angel. I will miss her and want to send my condolences to her beloved Martin and their son. Rest in Peace my friend. Nancy Rutledge

Diann was an elegant, friendly, and upbeat lady who always showed concern about others and their problems. I will always smile when I think of her computer and electronic "ability". Whenever my computer screen flickers, I think "well, Diann is saying hello." She had courage and faith even as she faced the most difficult struggle of her life. She was a good friend...the kind you don't get too often in life. Rest in peace, Diann.

Diann was my mentor. She helped me understand the true role of a Career Development Facilitator - to listen carefully and offer abundant encouragement and useful information. Even when she was ill, she still cared about everyone else, always taking the time to ask, even when she could hardly talk. She was a good friend. I will miss her "magnetic" personality and all the fun we had together. Go with God.

Diann was a good friend. The kind of friend that you could confide in. She would think and think until she came up with a solution to a problem. She was great to talk politics with. I just couldn't mention the name "Hillary" to her. (Ha Ha) She was classy and liked by everyone who meet her. Where ever we went she found someone that she knew and would engage in a long talk. Always asking about their lives and their families. That was a sign that she was liked by all. She was brave throughout her battle with cancer. She never complained. She told me that she had no regrets, that she lived her life well, she had a good marriage and loved her son. She said that she treated everyone with kindness and was proud of that. Diann I will miss you greatly, you'll always be in my heart.
