I met Cathy a little over two years ago when we were both invited to join a Bible study group with our mutual Friend Colette, we hit it off immediately she was sweet and kind and so friendly. I have had the pleasure of meeting her beautiful daughter Kayla to whom she was so proud of. She spoke often of her children and her husband Gary. She felt truly blessed. I know because of her strong faith in Jesus Christ she is now in God's kingdom. I hope your dancing in the Sky my friend, along side of Colette. I love you and I'll see you again someday in Paradise. 🌸

I've known Kathy and Gary a very very long time! I attended the same high school as they did but it was outside of high school that I really got to know them. We hung out in the same crazy circle of fun crazy times. Those were the good old days let me tell you. I always loved sitting down talking with Gary and Cathy. They always made me feel so comfortable no matter where we bumped into each other. Those two together made me laugh all the time. Where one was you knew the other was not far away. I remember my car was broke down at a gas station in Royal Oak and God sent an Angel to help me, that Angel's name was Cathy Pauli! She gave me a ride back home to Marine City. I was forever grateful for her. I will never forget it; it was 10 years later and you would think it was only week later since I seen her. She treated me like a genuine best friend from the past. Cathy was the sweetest Angel of all Angels. Rest In Peace Cathy and show the rest of those Angels how to dance it up and have fun!! I am so glad your hurt is no more. 🌈🙏❤️

Along with Valerie LeTendre, I also worked with Cathy at HP. She was a mentor and friend. We shared many days laughing and talking about our wonderful families. The best memory was the day Cathy, Val and I went boating on Lake Orion lake. Cathy and I had great conversations about her faith which I often reflect on for myself. Cathy was with me during good times and she got me through hard times. My prayers are with you all. Love, Sue Wrubel

To the Pauli Family . . . we've never met, but I spent much time working and talking with your wife/mother as part of the SRM Team at HP. She was one of the most wonderfully upbeat and optimistic people I have ever met. Her strength and perseverance is beyond anything I have experienced before. God bless you as you make your way through this trying time and know that she will always be with you. Sincerely, Valerie LeTendre
