I remember the day I told Grandpa and you that you were going to be joining the Great Grandparent Club soon. You pulled me into your arms hugged me gave me a kiss and told me that I was going to be a great mother. Then you thanked me for giving you your first Great Grandchild. I think back and it seems as if this just happen but really it was over 15 years ago. I will hold all of my memory's of you at the Marine football games and at all of my kids sport close to my heart. I may not have you here physically but I will keep you in my heart always.
