I remember when we were little and were up in Cadillac. We would go downtown and collect baseball cards. I also loved when we went to Florida to visit your grandparents and just watched Charlie Chan movies for hours. Love you! And you'll be missed! Everyone could tell the love you had for Melissa and Jackson!

Michael was an adorable, kind, little boy with an infectious smile. He was never afraid to try new things and he enjoyed concluding Jimmy in his adventures. As he aged Mike enjoyed his privacy and like everyone he just wanted to be loved and accepted for who he was. When he met Melissa everyone knew he had found the love of his life. He loved Jackson and was so proud of his son's accomplishments. I hope Jackson knows that his dad's love will be with him everyday of his life.

I am so heartbroken for Melissa and Jackson. You were a good guy Mike, remembering all the laughs and good times at the cottage. My best memory of you was how much you LOVED and adored Melissa and how proud you were to become a dad. Rest in peace Mike. Fly with the angels and watch over your precious family. To Melissa....the biggest of all hugs through this time. Xo

A brother that always looked out for me. A protector that never hesitated to help those that could not help themselves. We grew up together but apart over the years. I hope you know how much you were loved and how much you are now missed. We never plan that there will be no more tomorrow's. You were a great brother, an amazing son and absolutely excelled at being a father. We never said it much but I love you and my heart has lost a beat with your passing. Fly free now.
