All my memories of Aunt Carol are warm and happy ones. She always made me feel like I was a part of her family. Her warm caring smile and open giving heart will never be lost on me. After moving to Colorado nearly twenty years ago, I've honestly not stayed very close with Aunt Carol, Uncle Dick, Gary or Roger. My mistake. However, I remember some of the times we had like they just happened yesterday. You were certainly blessed with a wonderful wife and mom. She will be greatly missed. To Uncle Dick, Gary, Diane, Roger, Marie and the entire Stirzinger family, my warmest wishes, prayers and sincerest condolences go out to you and your families. Aunt Carol's spirit will continue to bless and live with us all. Jay Pochert

So as I think of the times spent with Aunt Carol, I recall many special times. One time, when I was and sick with some cold or something and spending the night as someone was being born, She told me that a spoonful of Vick's was the cure. I remember burning Vick's for days! Going to Uncle Dick's and Aunt Carol's ment dancing downstairs to the newest 45's and getting tough with Gary and Roger! I think those times have kept Gary and I keeping intouch. Thanks Aunt Carol! Love and kisses .Sandy

What a lovely gal Carol was! I had the sweet joy of meeting her a few weeks ago when many of the residents and I went over to the Medical Care to put on a music concert for the pals there. She was able to sit and listen and I could tell by the smile on her face and glow in her eyes that she was enjoying the music!! Kate Meyers
