Gus...When I heard you passed, I just crumbled with so many tears from my eyes.....my heart just ached in pain for several days.....as I never thought this day would come to say good-bye for now.You are now on your next journey.....this is all part of the circle of life.....and we were "ALL" given so much by YOU.....you filled any room with laughter and joyduring your many moments with so many of us!You will forever hold a special place in my heart, you have always been so special to me and so many hundreds of others in the close community of Largo where you lived, St Pete and Tampa.... you have forever filled our hearts with so many memories of smiles and laughter. I am so honored that I was a part of your wonderful life in Florida since I came here in 1996.May you rest in Peace >You will never be forgotten....We will "ALL" hold a special place for you in all our hearts in Florida, you will always be remembered for the Love and Laughter you gave to so many of us each day we saw you.RIP My Wonderful Friend,Bless you up Above,Suzanne
