Went through High School with Bruno and for ten years after (53 to 63) along with Joe Palazollo we were the three musketeers sewing our wild oats (so to speak).Many October Fests, German festivals, bars and sing-alongs were attended. In63 we all got married so the relationships changed somewhat but not drastically.In Sept I received a call from Bruno and when I picked up I was greeted with the heavy sounds of an oompah band suggesting something was on his mind but alas it wasnot to be. That was the last time we spoke and it was good.Good by old friendLove Joe and Barb Miller
