I was so sad to hear that Mary Jane had passed away. Growing up she was always there with a kind word for me. I have so many fond memories of Mary Jane and Chubb. They were so much a part of my childhood as they were great friends with my parents. I was always the tag along with my parents whether they were snowmobiling with Mary Jane and Chubb or playing cards or just hanging out. I was always there and Mary Jane was always kind. I remember thinking back then what a beautiful person she was inside and out and as I grew up I realized how true that was. She was an important person in my mother's life and I am grateful that my mom had such a great friend. She was loved and will be missed. Prayers to your family.
