Bernard Regan lit a candle in honor of Marilyn.

I'm are so very sorry for your great loss. Marilyn was such a strong and giving lady. She was always kind to me and had time for a visit. Unfortunately it was usually in a waiting room of a doctor or hospital but she always had a kind word and help pass the time.

I have so wonderful memories staying with Marilyn at the farm. I was blessed to stay there with uncle t and aunt Helen. I loved being with Marilyn helping her feeding the hens and getting the eggs. And helping with farm animals. I always remember as a child she helped me to learn to tell time on the clock as she was one older then me. The memories are enormous I was so blessed to be with herLove, cousin carol
