I am sad to hear of the passing of Mark Revere. I was his roller skating coach at the Mt. Clemens arena and the Ambassador skating rink in Clawson. Mark was a hard worker and through his dedication and talent, he won the State and Great Lakes Championships qualifying him to skate Senior Mens Singles at the 1973 National Championships in Lincoln Nebraska. I recall Mark arriving at Nationals for practice having forgotten to bring his skates. His father Air Mailed his skates and he practiced in the morning and skated the event in the afternoon beating the current 7 year champion, Michael Jacques. I was very proud of Mark. He came a long way from being our paper boy. He also was the first person to sign my daughter's baby book. I knew Mark, John, Mike and Renee and have thought of them often over years. John Beeding
